

About No Limits Brass Choir

Finally, a youth ensemble where it's all about the brass! With a motto of "Higher, Faster, Louder", No Limits takes the best from classical literature and adapts it to performance by brass instruments. No more cliché fanfares, no more long rests followed by a few high notes. In No Limits, brass players take center stage. No Limits now consists of three ensembles; our auditioned ensemble, No Limits 1, our non-auditioned training ensemble, and our non-auditioned junior ensemble.

No Limits 1 has one opening for horn for our winter/spring session. No Limits 2 and No Limits Junior has openings for all instruments for winter/spring session. For information on joining this exciting program, visit our website at www.minneapolisbrass.com/nolimits for details.

Thanks to the vaccine, No Limits 1 and 2 have been able to finally return to indoor rehearsals this fall. No Limits Junior braved the wind in the cold for the majority of their rehearsals and have done a super job of working in tough conditions in addition to mastering the art of playing in an ensemble for the first time!

For the health and safety of all participants and audience members No Limits requires the wearing of face masks at all times. When visiting with individuals outside your family group please maintain 6 ft distance. We also ask that the first few rows of pews be left open and that if you are seated in the front half of the church that you sit towards the center aisle as some performers will be playing from the outside aisles.
